

FrancoBridge
Consulting

Bridging language. Unlocking opportunities.

Who We Are

FrancoBridge Consulting is a language education and professional development firm that helps individuals gain the French language confidence and skills needed to succeed academically, professionally, and through immigration pathways. We empower clients to thrive and integrate fully within Canada's bilingual and Francophone communities across North America.

Our Services

- Language Coaching
- Government of Canada Second Language Evaluation Preparation
- TCF/TEF and DELF/DALF Exam Preparation
- French Immigration Pathway Support
- Translation Services
- Academic Support
- Interview Preparation For Bilingual Roles

Mission

To bridge language gaps by delivering tailored language training and consulting services

Vision

To be North America's leading language and education training firm
